

## **7- Berat AYŞEN**

*To My New Assistant*

*Read the letter carefully and follow my instructions attentively. You must know that our job is a holy one and I assume you are qualified enough. For a few months you will travel with me across Flanders and I will teach you what our job is, sorry mission...*

*From time to time I will give you a list of holy items to be found. Such as the bones of our illustrious saints, precious gemstones that were once the part of a holy item. Don't worry, these stuffs are more common then you can imagine. I will teach you where to get them.*

*I am in Anvers right now and will be back in a few days. The people here are rich and it is good for the church and you should know that this is a blessing. But the grace of God does not disregard the ones who can pay for their crimes whether they are poor or rich.*

*I left you a copy of my seal. Take it and go to Oostveld. There you will find the village elder. Show him the seal and he will give you last month's donations. I know how much it is so don't try anything funny.*

*God be with you*

*The redeemer and absolver of sins*
